

TRANSFER STATION

UPDATES

The Transfer Station will begin to phase out the green bag program; instead, we will be offering sticker tags for residential waste disposal.

Watch for more information when the change will occur. The cost of tags will remain the same as current green bag prices.

-Miigwech

The services provided by the Transfer Station are important components in the health and well-being of the Red Cliff community and natural resources. The Red Cliff Transfer Station aims to reduce waste production in the community and increase the rate of recycling.

To learn more about helping us achieve this goal, please watch for up coming changes and community events:

- ⇒ Community Spring Clean-up
- ⇒ Hazardous Waste Disposal Event

Red Cliff Recycling & Transfer Station

Hours of Operation

Tuesday, Thursday, & Sunday

8 am to 6 pm

715.779.0171

RESIDENTIAL/HOUSEHOLD WASTE DISPOSAL

All household residential waste **MUST** be in a green bag or a clear plastic bag. Waste brought in black or other unapproved bags will not be accepted.

Green bags are available for purchase at the Transfer Station or Tribal Administration Building. Bags come in two standard sizes:

- ⇒ Small (24" x 30") \$1/bag
- ⇒ Large (33"x 39") \$3/bag

Residential waste going into the compactor must not include recyclable materials, aerosol cans, batteries, etc.

Customers will be asked to remove any inappropriate materials from the compactor if they are found to be in violation.

Please be mindful of the waste going into the compactor.

OPENTOP DUMPSTER

- ⇒ Full Pick-up Load— \$40
- ⇒ Half Pick-up Load— \$20
- ⇒ Car Trunk Load— \$5

Ask Transfer Station Attendant about what materials are acceptable for disposal in the open-top dumpster.

FREE RECYCLING INFORMATION

Red Cliff encourages the practice of recycling by providing community members recycling disposal free of charge.

Acceptable recyclable material includes:

- ⇒ Cardboard (must be dry and flattened)
- ⇒ Paper/Newspaper
- ⇒ Plastics (#1 and #2)
- ⇒ Glass and Jars (rinsed and lid removed)
- ⇒ Bimetal cans (soup cans, etc.)
- ⇒ Aluminum (please flatten)

The recycling dumpsters are single-stream, which means that all recyclable materials come in a single container.

Only **CLEANED** recyclables are accepted. Help us keep the Transfer Station and the surrounding environment clear of waste due to bear activity.

NO PLASTIC BAGS IN RECYCLING BINS

We ask that aluminum cans be separated from the rest of the recyclable materials.

We also accept scrap metal free of charge. We ask that it remain separate from the rest of the recyclables.

SPECIAL WASTE DISPOSAL

The Transfer Station provides waste disposal of a variety of special items for a fee. ***We do not accept hazardous waste at this time.***
